Little sparks...

burn great forests

Common sense is all that stands between controlled burning and full-scale forest fires. Before you start any fire, check local regulations... Be sure fires can't spread... Never burn on dry or windy days... and never leave fires unattended. Nine out of ten forest fires are caused by careless people. So don't be careless.

Please!...only you can prevent forest fires

That, son, is a home that's completely heated by electricity. And in the years ahead, it's likely that more homes will be heated by electricity than by any other method.

Electric home heating is the really modern way—clean, automatic, safe, and so convenient. You can have a chimney if you want it, of course, but you'll save many dollars on home building with easy-to-install, economical electric heating.

The Community Presbyterian Church at Incline Village was the setting of the marriage of Nancy Engelhard to Gary Busch on Sunday, August 21st at a 2 o'clock ceremony.

The ceremony in which the bride Rev. Chester Hamblin performed was given in marriage by her father Greg Engelhard.

For her wedding Nancy chose to wear her sister's wedding gown of silk with chantilly lace bodice and train with a traditional veil. Her bridal bouquet was of white orchids and she carried a white Bible.

Ann Marie Lesterance of Newport was maid of honor, wearing a turquoise full length sheath and carrying a bouquet of carnations.

Ann is a sorority sister of Nancy's.

Mrs. Greg Engelhard, the bride's mother, chose a two piece suit of the new banana shade with matching accessories and a gorgeous hat designed for the occasion by Vera Ozols. An orchid corsage complemented her attire.

Leah Busch, the groom's mother wore a pink silk suit and wore an orchid corsage.

Mrs. Busch, Sr., the groom's grandmother wore a white suit and matching accessories and corsage.

Best man was Gary's brother, Steve, and one of the ushers was the bride's brother, Bill.

A reception was held at the Engelhard home at Incline Village after which the Buschs left for a honeymoon trip. They will make their home at Lawton, Oklahoma, where the bridegroom will be stationed at Fort Sill.

Weekend guests of Dick and Vi Newton of Incline Village were her niece, Nancy Wickland of San Francisco, and Marney Leach and Paul Breymer. Also visiting the Newtons were Mr. and Mrs. Marion McGraff and son, Jim, and Mrs. C. Carson Conrad and son, Bill, of Sacramento.

Col. and Mrs. A. A. Haymann of Incline Beach enjoyed a visit from their daughter and family, Peggy and Ron Gott and baby son, Robbie, of Sparks, and Pat Cates and sons.

Also went to the dogs on Saturday night — our dogs that is, when we visited Johnny and Jerry Rayburn of Incline Beach. The three baby poodles are now five weeks old and how Jerry is going to part with them is of great concern to her. However, four dogs would be quite a houseful!

Long time friends, the F. Berchtoes of Bakersfield were guests of Ernie and Mary Macon and daughter at Incline Village last weekend.

Jesse and Irene Russell of San Jose visited San Jose friends and Irene's mother, Pearl Koskey, last week. Irene is the sister of Tom Koskey, the Incline Village artist.

Both have many friends in the area and we all wish them happiness.

Ron and Sharon Wilson of Reno were week vacationers at the home of Carl and Marilyn Shaff at Incline Village.

A chartered bus with chaperones, Carl Shaff, Art Lealtad, Frank Baker, H. G. Murphy and Bob Ruckheim, took 35 boys from the Incline area to the Houston-Giants game at Candlestick Park in San Francisco Sunday. The chaperones enjoyed the day as much as the boys.

## DONNER DOINGS

By Mrs. Carson "Vi" White

The level of the lake is going down faster this year and it's a bit risky to speed around in boats, especially by China Cove and close to shore. There are a lot of rocks just below the surface of the water and could cause considerable damage to a boat or waterskier, so be cautious.

Speaking of water and how low and warm it is, the other day ten youngsters swam the width of the lake at the west end under the guidance of their instructors Nancy Wilkins and Maylou Smith.

When the swim classes started some six weeks ago, the weather and water were mighty cold and some of the kids thought they'd never thaw out or be able to swim the required 40 minutes for their certificate, but they did last week. The trip across the lake only took them 25 minutes, from the Property Owners' Beach to Donner Lake Lodge.

The swim program under the sponsorship of the Truckee-Donner Recreation District will continue for two more weeks at Donner Beach.

Perhaps if all goes well, future swim lessons will be held in an indoor pool.

A hard working Swimming Pool Committee is busy getting signatures from people who are interested in having a community pool in the area.

General Chairman are Kitty Money and Maylou Smith who have as their co-chairmen, Margaret Copeland and Thelma Zuber.

Secretary, Maylou Smith, and Treasurer, Nancy Wilkins are busy handling the correspondence and money.

Committee chairmen are: Finance, Fred Hodder, Facilities, Randy Bobby; Program, Ed Wilkins; Campaigning, Marigray Fish; Pub-

licity, Ida Clatterbuck; and Refreshments, Muriel Wiser.

The pool site will be near the high school and with the approval of the school board, and the possibility of funds from the Fleischman Foundation, providing the community shows enough interest, the committee will have done a great thing for the area.

Several clubs have already indicated their help by having booths at the picnic planned for September 11th at the Truckee-Donner Recreation Park north of town.

Betty Dearman, in charge of the event, announces that some interesting races will be held including catching a greased pig!

Should be fun and all for a worthy cause, see you there.

Dan Groth and Gordon Sherwood of Walnut Creek, new owners of the Hillegoss cabin on the south side of Donner Lake, had a chance in a lifetime when one of them caught a tagged trout off their pier.

Nothing unusual about that you say? Well, the \$5 fish was caught by hooking the wire holding the tag!

This fish story was told to Carson White who handled the sale of the cabin through Swanson Realty recently.

Lee Groshong and his family from Sepulveda are staying at Marcella Corro's Lakeshore Motel again this year and are enjoying the smooth water, skiing behind their powerful speed boat.

They hope someday to build on their lot they purchased a few years ago.

Our sympathy and of many others goes out to Nick Van Sant of Donner Lake over the untimely death of his wife Joan. Their two children, Susan and Pamela are being cared for by Joan's mother Mrs. Alexandra who came from England recently.

We hope someday that a positive cure for cancer will be discovered.

Iris Farr and her four children are here from New Jersey to be

with her mother Lottie Horton and attended the last rites for her father "Wog" last week.

Lottie has been a very active member of the Sierra Tinker Belles Garden Club and is club historian. She and her husband have worked hard to improve their acreage at Donner Lake by installing sprinklers and planting native flowers and bulbs whose flowers we've all enjoyed.

Walt Harvest and his wife of Alameda won the two-man canoe events and Walt, the single Kyak slalom, during the first annual White Water races at the River Ranch over the weekend, he is 1965 National Champion.

A large crowd watched as the contestants maneuvered their boats through slalom gates hung over the river, sometimes in reverse position and even against the current. Quite a tricky operation in the foamy waters.

The one-man canoe using just one paddle seemed to be the most difficult event and Ted Johnson of Costa Mesa had the top score.

The Mitchell's of Donner Lake found the interesting sport thrilling.

Gardner Mein proprietor of the River Ranch plans a bigger time next year.

Jerry Waters who used to live across the river where the tennis courts and pool are helped out as starter and marvelled at the change in the area, a lovely spot to vacation. Jerry and his wife are now living at Pacifica in the Bay Area, but spend their winters in Texas on the Gulf of Mexico.

## SYSTEM DESIGNED TO CATCH CRIMINALS

"Mobility of the criminal in our society makes it absolutely necessary for law enforcement agencies to have immediate access to information which will enable them to apprehend law violators," Highway Patrol Commissioner Bradford M. Crittenden said today.

"A system to do just that will become operational in January of next year," Crittenden said. "That system, is the National Crime Information Center."

The nucleus of this system will be the computers of the Federal Bureau of Investigation in Washington, D. C. Police agencies of cities and states throughout the nation will be connected to the system and this immense amount of information will be available to any member.

## Vive Les Girls Show Great Entertainment

CRYSTAL BAY — The pulsating excitement, color and glamour of Paris takes over North Lake Tahoe every night, as "Vive Les Girls" continues to draw enthusiastic crowds to the Nevada Lodge.

Frederic Apar's all-new 1966 edition of "Vive Les Girls" brings to Nevada Lodge a stunning array of glamorous showgirls from Europe, the Orient, and the U.S. Tabbed as a strictly "adults-only" continental revue, the extravaganza is an imaginative parade of daring dances, production numbers, fast-paced specialty acts.

Starring in the dancing roles are beautifuls Jacquie Walters and Michael Hinton, whose featured dances are the talk of the lake. Jacquie Walters, born and raised in England, achieved dancing fame at Paris' Moulin Rouge. She was brought to America for the current "Vive Les Girls" production; her spectacular beauty and graceful dance interpretations keep audiences hushed with fascination.

Michael Hinton, star male dancer, is a North Carolinian by birth and danced in David Merrick's "Hello Dolly" production before joining "Vive Les Girls" 1966 edition. His presence on stage is charged with excitement — a perfect match for Jacquie Walters' beauty.

"Vive Les Girls" is an adult potpourri of girls, songs, specialty acts and imaginative staging. Specialty acts include Rola and Rolan, remarkable pair of acrobatic ballerinas who have appeared on Ed Sullivan's show, Hollywood Palace and other television shows.

Nevada Lodge also offers continuous entertainment from dusk 'til dawn in the Lounge, where comedian Jackie Burns is currently appearing. "Vive Les Girls" will continue nightly at Nevada Lodge through October 2.

TO HOLD DISTRICT MEET  
Leonore Vind, district deputy president will preside at a district meeting of the Rebekah Lodge to be held at Truckee October 13. The grand warden of the Rebekah Assembly will be present, according to invitations being received by area lodges.

License Issued —  
A marriage license was issued in Nevada to Edmund Greenwood, 29 and Mary Clark, 36 both of Tahoe City.

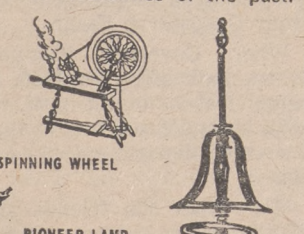

In the United States there are now 129 women for every 100 men at the ages of 65 and more.

## HOW AMERICA GREW

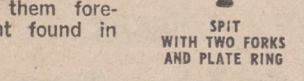

### PIONEERS OF INGENUITY

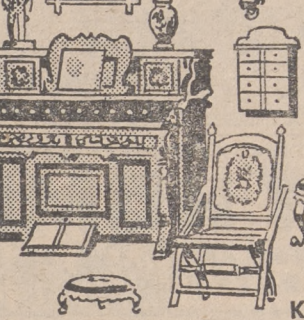

OUR GENERATION owes much to the hearty pioneers who forged a great country and a culture from the wilderness. Certainly, the do-it-yourself hobbies of today, stem from the fend-for-yourself necessities of the past.

INGENUITY has long been an American trademark in industry and the arts. Typical of mechanical genius and craftsmanship in pioneer days are these examples of 19th century appliances and household gadgets—most of them fore-runners of the modern equipment found in today's homes.

A VAST LIVING MUSEUM, said one historian of the Harold Warp famed Pioneer Village at Minden in South Central Nebraska. Here you can see marvelous examples of early pioneer life, plus unique panorama collections of fabulous "made in America" weapons, modes of transportation, clothing and art. Truly a living monument to the pioneer spirit in our American way of life!

## AFFAIRS OF STATE

by Henry C. MacArthur

SACRAMENTO — (CNS) — The retirement of DeWitt, better known as "Swede" Nelson, from state service after more than 40 years in the conservation field leaves a vacancy in state administration which will be somewhat difficult to fill.

Nelson, now the director of the department of conservation, leaves state service August 31 to take on new duties as a visiting lecturer at Iowa State University, from which

he matriculated many years ago. In California, he was state forester, a job which involves range management. Prior to taking that job in 1944 as an appointee of former Governor Earl Warren, he served with the U.S. Forest Service for 19 years, much of the time in Truckee.

The then Governor Warren appointed Nelson director of natural resources in 1953, and later that year, he was reappointed by Governor Goodwin J. Knight.

When Governor Edmund G. Brown took office in 1959, he retained Nelson in the post, and in 1961, he appointed him to the newly created department of conservation.

More than 400 friends and acquaintances of Nelson gathered last

Friday night at the El Dorado hotel near Sacramento to bid him farewell. Both former Governors Warren and Knight were invited to the affair by Governor Brown. And the speeches were highly commendatory, as they should have been in testimony to a man who has given as much service to the state as Nelson.

During his years of service to California, Nelson has been a key figure in developing resources, conservation and recreation programs which are recognized as among the best in the nation.

These include California's wildland, fire control and fire prevention programs in the division of forestry; the institution of forward-looking public parks and recreation programs, a state geological survey, and the origination of a state-supported soil conservation program.

Nelson also a key figure in developing massive expansion of the state's correctional conservation program, which provides disaster control crews for use through California in times of fire, flood, earthquake and other natural disasters, as well as fire prevention and wildlife conservation program and maintenance of park and recreation areas.

The retired forester also has served as a member of the advisory committee for the president's commission on outdoor recreation resources review; chairman of the California public outdoor recreation plan committee; chairman of the western governors' mining advisory council and chairman of the resources agency committee on delta recreation master planning. He holds the Greater Linnaea medal from the Swedish Royal Academy of Science, and the Alumni Merit Award from Iowa State University.

Dale and Barbara Kindred and children Dave and Mary Lou, and Neal and Francis Brandon of Incline Village were Bakersfield visitors to the home of Gary and Joyce Weitzel, former residents of Incline Village. They all went to Kingsburg for the boat races while there.

Dick Garrett, former Tahoe Vista resident, was visiting friends in that area last week. Dick is now a San Jose resident.

Bob Zinkhan of Phoenix returned to Arizona State College at Tempe, Arizona, after a glorious summer at Lake Tahoe where he was associated in business with Hewitt Clark.

## Oakland Girl Will Wed Ned Stuart

Mr. and Mrs. Robert Wallace of Oakland are announcing the engagement of their daughter, Joan Elizabeth Wallace, to Ned R. Stuart of Tahoe City.

The bride-elect was graduated from Oakland High School and the University of California at Davis. She is now teaching in the Army Dependents' School in Germany.

Her fiancé is the son of Mr. and Mrs. J. R. Stuart of Tahoe City. He attended schools in the Tahoe-Truckee district and graduated from Chico State College and is now a highway engineer for the U. S. Bureau of Public Roads.

The wedding plans are indefinite.

## From Pennsylvania —

Mr. and Mrs. Aldo Perino have as their house guests, Mr. and Mrs. Vance Perino and five children of Pennsylvania.

## Jacqueline Funk Is Wed To Richard Brown At Church

A lovely candlelight ceremony performed Saturday evening by Rev. Frank Evans in the United Church of Christ at Squaw Valley, joined Jacqueline Funk and Richard Brown in marriage.

A floor length gown of white brocade was chosen by the bride, complemented by a train and her veil was shoulder length of white tulle. A white orchid with lilies of the valley formed the bouquet on the white prayer book she carried. Her father, Kessner Funk of Sierraville accompanied her to the altar.

Mrs. Thomas Grow was the matron of honor and the bride's maids are the Misses Jo Lee Smith, Joan Brown. The trio wore satin and brocade gowns in the coral shade of ballerina length, their bouquets

## Daughter Of Local Woman Is Married

At a double ring ceremony in the Yucaipa Christian Church August 3 at 8 p.m., Miss Jo Lynne Coffey of Las Vegas, Nevada, became the bride of Danny Thomas of Yucaipa.

The bride is the daughter of Mrs. F. Maria Coffey of Donner Lake and given in marriage by Willis Niblack, grandfather of the bridegroom. The Rev. Richard Osnes, pastor of the Christian Church of 200 guests attended the wedding and reception held at the home of the bridegroom's parents, Mr. and Mrs. Sam Thomas of Yucaipa.

Miss Jean Halifax of Tahoe City was maid of honor and bridesmaids were Mrs. Paul Boyd of Yucaipa and Miss Ann Smith of Las Vegas. Mike Harvey served as best man and ushers were Paul Boyd and Don Humbert all of Yucaipa. Sandy Smith of Las Vegas was flower girl.

Mrs. Thomas attended Las Vegas High School and the bridegroom attended Redland High and is now a member of the Seabees and is stationed at Port Hueneme where the couple will reside.

## DAUGHTER BORN

Mr. and Mrs. Richard J. Connell, nee Shirley Patton of Truckee, have announced the arrival of a seven-pound, 1 1/2 ounce baby daughter, born August 8 at 1:45 p.m. She has been named Debra Lyn. The Connells now live in Breckenridge, Tex.

## Happy Day —

Guests of the Walter Barrett's Sunday included Michael Thomas Keller who celebrated his 12th birthday, Mr. and Mrs. Robert Keller and Christine of Novato and Mrs. Don Harris of Corte Madera.

were of roses.

Roy Brown served as best man and ushers at the nuptial service were Jerry Kirby, John Minterqui, Ray Craig, Paul Jesson.

A reception followed in the church edifice before Mr. and Mrs. Brown left for a brief wedding trip. Mr. and Mrs. Elmer Brown of Truckee are the parents of the benedict.

The well known young couple will establish their residence at Roseville and plan to continue their studies at Sierra College.

## County Property Is Assessed Low

The state board of equalization today announced that property in Nevada County is assessed, on the average, at 19.7 percent of its full cash value. This finding together with similar findings for the past two years will be used in arriving at the amount of state school aid to school districts. Placer County is assessed at 20.8 per cent of the full value.

Vice Chairman Paul R. Leake said that the board found the 53-county weighted average was 22.1 percent for the 1966-67 fiscal year. This figure is up slightly from the 21.8 percent found last year.

The board is empowered in September to raise or reduce assessed values — the basis for tax rates — in those counties whose assessment ratios vary too far from the statewide average.

## SWIM POOL GROUP TO SPONSOR PICNIC

At a special Swimming Pool Committee meeting last Thursday evening the committee briefly reviewed progress to date and explained what steps were now necessary to further the project, mainly a meeting August 26 with Grant Caywood, architect engineer, to prepare a feasibility report to present to the school board at their October meeting.

The most important part of the project is that the community fully support it. Strong evidence of this is the enthusiastic way the local service clubs are supporting the picnic fair to be held September 11th at the Truckee-Donner Recreation Park, and of the interest evidenced among residents as the petitions have been circulated.

Representatives of most local service clubs were present at the meeting and Mrs. Betty Dearman, chairman of the fair, offered a list of ideas for various booths and outlined the setup of the fair. She plans many fun events besides the baseball game women versus the men — like a greased pig race. So mark September 11th on the calendar for a real fun day with the entire family.

## STATE FAIR OPENS IN CAPITAL AUG. 31

Color is the predominant key to the huge Counties Building which houses the 51 county exhibits which display the agricultural and industrial wealth of the most populous state in the Union at the California State Fair. Fair dates are Aug. 31-Sept. 11.

The floor of the building is painted in terra cotta, to highlight the designs of each exhibit which will extend three feet onto the floor.

An innovation in the exhibits is a model map on which each exhibitor's county is outlined in red to emphasize the location in the state.

## Kemps Visit —

The Joseph Kemp family of Sacramento is visiting the Truckee-Donner area this week.

## Mike Moore, Janet Barlow Married In Rites In Nevada

Friends and relatives have been extending felicitations to Mr. and Mrs. Michael Moore, following their marriage ceremony recently performed at Reno, Nevada. The couple was attended by David Vieu and Mary Ann Moore and a family reception was enjoyed by the wedding party at the home of his parents, Mr. and Mrs. Robert Moore of Truckee.

The bride is the former Janet Barlow of Palo Alto, the daughter of William Barlow of Tacoma, Washington and Mrs. Norma Barlow of Palo Alto.

Moore is a graduate of the local schools and Sierra College and will soon leave for Georgia where he will conclude his service with the U.S. Army reserve.

In the spring the newly weds will return to Chico College to complete their education.
